

World Nyckelharpa Day in 2022 is on Sunday 24th April – the closest Sunday to the birthday of the great nyckelharpa player Byss-Calle.

Covid19 sent World Nyckelharpa Day online where it thrived and joined together nyckelharpa players around the whole world.

It's now 2022 and time to plan for this years virtual celebration.

As always – how you choose to celebrate World Nyckelharpa Day is up to you. From posting a photo or a video on social media and using the hashtag “World Nyckelharpa Day” to something more challenging like arranging a video collage with friends from around the world, a livestream, a workshop or a concert in Zoom. It's totally up to you!

We hope that there will be lots of social media activity on all channels!

This year the Byss-Calle mosaic is going to be number 25.

It's time to refresh the Byss-Calle complete playlist! Can we complete the full 57 this year? (The record was 39 back in 2020) All the tunes are back on the list, so get in touch to bag your Byss-Calle tune now!

This year our alternative video playlist will be tunes that are from another instrument's typical repertoire. All styles are welcome – not just folk! Get your thinking caps on and let us hear how versatile the nyckelharpa really is!"

And finally we have the global tune – the tune that we hope as many nyckelharpa players around the world will play along with. The official play along will be at midday (UK time) on the 24<sup>th</sup> but you can submit your videos earlier if you want to or after the event and this year we have a little tune called Vännens Långdans, this means the Friends Långdans – check out the website for the music and the instructions.

It's time to put the nyckelharpa on the map – shout about the instrument from the rooftops and make it trend on social media!
